- Commercial (Blue) and Residential is also allowed
- Industrial (Yellow)

## **Rental Units**

Count of rental housing units (not renters themselves) per district. Sourced from Rental Property Registration on September 29th, 2022.

## Driving Connectivity

This map *fails* because some districts (4, 5) have disconnected road networks. This means some folks would have to drive through another district to get to another place in their district. District 4 Driving connectivity map showing 2 partitions for district 4

District 5 Driving connectivity map showing 2 partitions for district 5
